UNIVERSITY OF TORONTO

OCTOBER, 1955

COMING EVENTS

MONDAY, OCTOBER 3

Toronto Field Naturalists—Illustrated lecture, "Naturalists in Pioneer Days." John Mitchele. Admission free. Membership welcomed. Museum. 8.15 p.m.

TUESDAY, OCTOBER 4

Academy of Medicine—Annual Dinner and Stated Meeting. President's Inaugural Address, "The Academy and the Family Doctor." Dr. P. A. Sarjeant. Royal York Hotel. 6.30 for 7 p.m.

WEDNESDAY, OCTOBER 5

Hart House Theatre—Araby Lockhart. 8.30 p.m.

SATURDAY, OCTOBER 8

Athletics—Senior Football. Queen's at Varsity. 2 p.m.
Senior and Intermediate Soccer. O.A.C. at Varsity. 11 a.m.

TUESDAY, OCTOBER 11

Royal Ontario Museum—Open Night. Highlight on Archaeology. Tours and talks in connection with special Lacquer exhibition. 7.30 p.m.

Hart House Theatre—University Alumnae Dramatic Club presents "Gigi." Also on October 12 and 13. At 8.30 p.m.

WEDNESDAY, OCTOBER 12

French Ciné-Club of Toronto—Sacha Guitry's "Le Diable boîteux." Eaton Auditorium. 8.15 p.m.

Athletics—Senior Interfaculty Track Meet. 1 p.m.
Senior Tennis Tournament. Toronto Tennis Club. October 12–13–14.

THURSDAY, OCTOBER 13

Royal Conservatory of Music—"British Light Music," lecture by Harold Neden, BBC radio producer. Concert Hall. 3 p.m.

FRIDAY–SUNDAY, OCTOBER 14–16

University of Toronto—Annual Homecoming Week-end.

SATURDAY, OCTOBER 15

Royal Ontario Museum—Children's Club for boys and girls 8–14 years old. 9.30 a.m.

Athletics—Senior Football. McGill at Varsity. 2 p.m.
Soccer and English Rugger. McGill at Varsity. 11 a.m.

MONDAY, OCTOBER 17

Royal Ontario Museum—First lecture of the Extension Course "Know Your Museum," (second of a Series) "The Museum and the Collector"—"A Collector's Point of View." Dr. T. G. H. Drake. 8 p.m.

TUESDAY, OCTOBER 18

Athletics—Intermediate Football. Ryerson Tech at Varsity. 2.30 p.m.

THURSDAY, OCTOBER 20

Royal Ontario Museum—First lecture of the Extension Course "Feminine Fancies Through the Ages." "Cosmetics and Coquetry." Ella N. Martin. 8 p.m.

SATURDAY, OCTOBER 22

Hart House Theatre—"Camino Real," by Tennessee Williams. A Hart House Theatre Production. Through October 29. 8.30 p.m.

Ontario Archaeological Society—"Ontario's Yesterdays"—illustrated discussions on Ontario's intriguing pre-history. 2 and 8 p.m.

SUNDAY, OCTOBER 23

Royal Ontario Museum—Educational Films, United Nations Day theme: "Neighbours"; "World Without End." 2.30 p.m.

University of Toronto—Television program on "Exploring Minds" series. 6 p.m.

MONDAY, OCTOBER 24

Organ Recital—by Dr. Healey Willan, University Organist. Convocation Hall. 5 p.m.

TUESDAY, OCTOBER 25

Royal Ontario Museum—First lecture of Extension Course, "Talking of Textiles" by Mrs. K. B. Brett. 2 p.m.

WEDNESDAY, OCTOBER 26

Department of History—Philosophy of History lecture series—"Some Thoughts on the Use of History." Professor R. M. Saunders. Room 105, Flavelle House. 4.15 p.m.

Athletics—Intermediate Soccer. Ryerson Tech at Varsity. 3.30 p.m.

FRIDAY, OCTOBER 28

Athletics—Intermediate Football. Western at Varsity. 2 p.m.

Royal Conservatory of Music—Concert by Alfred Deller trio of 16th and 17th century music. Concert Hall. 8.30 p.m.

SATURDAY, OCTOBER 29

Athletics—Senior and Intermediate Soccer. McMaster at Varsity. 11 a.m.
Harrier. Wayne University. High Park. 11 a.m.

SUNDAY, OCTOBER 30

University of Toronto—Television program on "Exploring Minds" series. 6 p.m.

MONDAY, OCTOBER 31

Hart House Theatre—Vic Bob. Through November 2. 8.30 p.m.

EXHIBITIONS

ROYAL ONTARIO MUSEUM

Lacquer Exhibition—outstanding pieces from the Museum collection to celebrate the gift of Chinese Lacquers presented by the late Major James E. Hahn from the James and Dorothy Hahn collection.

SIGMUND SAMUEL CANADIANA GALLERY

The exhibition, "Early French Influences in North America" continues to October 17.

"Canadian Watercolours of the 18th and 19th Centuries" opens on October 19.

THE ART GALLERY OF TORONTO

The exhibitions, "19th and 20th Century French Painting" and "Mr. Nathan Cumming's Collection of Ancient Peruvian Art" continue to October 16.

Beginning October 21 is the Women's Committee Exhibition and Sale, and the exhibition of David Milne's paintings.

Open Nights will be held on Wednesdays, beginning October 12, and on Mondays, beginning October 17 (8 p.m.). Sunday concerts will be given beginning October 16 at 3 p.m.

NEWS

Arts

Professor T. F. McIlwraith participated in a conference at Albany on Iroquois research projects, on invitation of the New York State Museum. In March, Prof. McIlwraith addressed the University Women's Club of Norfolk County in Simcoe, and was guest speaker at the annual meeting of the Huronia Historic Sites and Tourist Association held in Barrie.

Professor E. S. Carpenter received a grant from the Canadian Social Science Research Council to assist him in continuing his studies of Eskimo linguistics and concepts of time and space, and was in the Arctic from the end of April to July.

Professor R. J. Getty spoke on "Symbolism in Aeneid VI" and "Bantley's Influence on Horatian Studies" at the Eighth University of Kentucky Foreign Language Conference in Lexington, Kentucky, on April 29.

Professor G. Bagnani lectured on "What the Researcher has for the Teachers" to the Classics Section of the Ontario Educational Association in Toronto on April 12.

Professor Sir F. E. Adcock, Professor Emeritus of Ancient History in the University of Cambridge, and recently Vice-Provost of King's College, Sather Professor of Classical Literature for 1956 in the University of California, is a Visiting Professor in the Department of Classics, University College, during the Michaelmas Term.

Professor F. M. Heichelheim represented Classical Antiquity at a Symposium of the Wenner-Gren Foundation, "Man's Role in Changing the Face of the Earth," June 16–22, at Princeton. He contributed a paper: "Effects of Classical Antiquity on the Land."

Miss G. Mc. Jacquemin and Mr. M. Sanouillet have spent the summer in Europe. Professor C. R. Parsons is returning from leave of absence in France, and Professor D. M. Hayne has been granted leave of absence for the Easter Term, which he plans to spend in France.

Professor H. N. Milnes spoke to the Canadian Society for German Relief in Kitchener in April on "German Canadian Cultural Exchange."

Professor H. Boeschenstein has returned from England where he has been visiting professor at University College, London. While in England Professor Boeschenstein lectured to the English Goethe Society, to the Institute of Germanic Languages and Literatures, and at the Universities of Bristol, Reading and Cambridge.

Professor D. J. McDougall has returned to the Department of History after a year's leave of absence spent in England. Prof. McDougall attended the American Political Science Association meeting at Boulder, Colorado, September 6–9, and took part in a panel discussion on "The Roots of American Democratic Tradition."

Professor G. M. Craig attended the Canada-United States conference on "The Bases of Canadian and United States Foreign Policies" held at the University of Rochester, August 31–September 1.

Mr. J. C. Cairns taught in the Summer School of Cornell University.

Professor F. H. Underhill is to deliver three lectures on the Development of the British Commonwealth at Duke University, Durham, N.C., during the week of October 10. These lectures are to inaugurate a new Center of Commonwealth Studies which is being established in Duke University.

Professor H. I. Nelson attended the Bruges Conference on the German problem, April 21–26, and the conference at Montebello, P.Q., September 6–11, on Canadian-United States-United Kingdom Relations.

Professor E. Goggio has been elected a member of the Dante Society of America.

Professor A. M. Fox, Queen's University, will be visiting professor in the Department of Italian, Spanish and Portuguese for 1955–56.

Professors J. H. Parker and K. L. Levy attended the Seventh International Congress of Professors of Ibero-American Literature at the University of California, August 29–31. Professor Parker read a paper on "Manuel Antonio de Almeida, Balzac brasileiro", and was elected a vice-president for 1955–57. Professor Levy gave a paper on "Revuelta y tradicion: Dos valores del mosaico cultural iberoamericano."

Professor H. S. M. Coxeter addressed the Friends of Scripta Mathematica at Teachers' College, New York, April 18, on "Hyperbolic Triangles." In June and July he gave a course of 29 lectures on "Contributions of geometry to the main stream of mathematics." sponsored by the National Science Foundation, at Oklahoma Agricultural and Mechanical College.

A Travelling Grant awarded by the Nuffield Foundation enabled Professor Karl F. Helleiner to spend the summer in Europe, and complete his work on the History of Population, 1350–1800, for Vol. IV of the Cambridge Economic History.

Professor Alexander Brady spent the summer at the University of Otago, Dunedin, New Zealand, as Williams Evans Visiting Professor for 1955.

Professor C. B. Macpherson took part in a round-table on political parties at the University of Michigan, April 28–30, and was in charge of a series of round-tables on party systems at the Congress of the International Political Science Association in Stockholm, August 21–27, at which he gave a paper on "The Role of Party Systems in Democracy." Prof. Macpherson was re-elected a member of the executive committee of the Association.

Professor Line in his capacity of director of the International Institute of Child Study spent some time in Bangkok, Thailand, at the request of UNESCO, and also acted as consultant to UN headquarters in New York.

Professor J. D. Ketchum was visiting lecturer at the University of British Columbia during the summer.

Medicine

Dr. W. E. Gallie has been appointed an Honorary Fellow of the Royal College of Surgeons of Edinburgh.

Professor R. M. Janes has been appointed an Honorary Fellow of the Royal College of Surgeons of London, England. Professor Janes has been appointed President of the Canadian Association of Clinical Surgeons.

Dr. W. G. Bigelow received an engraved medal, a biennial award of the International Society of Surgery, in Copenhagen in July, for his work in the field of hypothermia. He delivered a paper on hypothermia at the conference.

Dr. R. I. Harris is on a five month trip around the world as the Sir Arthur Sims Commonwealth Professor of Surgery of the Royal College of Surgeons of England. Dr. Harris will give lectures and clinics in hospitals and universities in New Zealand, Australia, Singapore, Delhi and Great Britain.

Dr. Terence Molony has been awarded the O'Keefe Fellowship in Otolaryngology, and will do research work on virus diseases of the sinuses at St. Michael's Hospital. The fellowship will also assist in an exchange fellowship with the University of Oxford, whereby Dr. J. W. Dixon will work with Dr. Molony, and Dr. W. S. Goodman of the Department of Otolaryngology will work at Radcliffe Infirmary.

Applied Science and Engineering

Professor E. A. Allcut has been appointed a member of the National Industrial Design Council (Canada) for a two-year period from April 1st last.

Professor Allcut has been elected a Fellow of the American Society of Mechanical Engineers. During the summer he attended the (British) Institution of Mechanical Engineers summer meeting at Southampton.

Professor C. Hershfield attended the summer course on Plastic Designs in Structural Steel at Lehigh University, Bethlehem, Pa.

Professor I. W. Smith presented a paper on Photoelasticity for Design Improvement at the Engineering Institute of Canada annual meeting on May 13. Professor Smith, as chairman of the Mechanical division of the American Society for Engineering Education, took an active part in the program of the annual meeting at Pennsylvania State College, June 20–24.

Professor P. B. Hughes attended the same meetings. Professor Hughes was awarded the President's Medal of the University of Western Ontario for the best short story written by a Canadian in 1954. His story, "Catherine and the Winter Wheat," was published in Maclean's Magazine, July 1, 1954.

Professor D. G. Huber has returned from his year's leave of absence, which was spent at the State University of Iowa and the Iowa Institute of Hydraulic Research.

Dr. A. I. Johnson attended the Chemical Institute of Canada annual meeting, May 30–June 1, in Quebec City, and participated in the discussion of Chemical Engineering Research in Canada.

Professor G. F. Tracy attended the summer general meeting of the American Institute of Electrical Engineers at Swampscott, Mass.

Dr. L. M. Pidgeon attended the Joint Metallurgical Societies Meeting in Europe, held in London in June. Dr. Pidgeon also attended the Metallurgy Conference at the General Electric Company, The Knolls, Schenectady, N.Y. in August.

Dr. W. C. Winegard lectured on "Segregation of Solutes from Surfaces" at the Chemistry and Physics of Metals Section of the Gordon Conference at New Hampton, N.H., July 25–29.

Dr. G. N. Patterson, Dr. I. I. Glass and Professor B. Etkin attended the 5th International Aeronautical Conference in Los Angeles held during the week of June 20. Drs. Patterson and Glass presented a paper entitled "Contribution to Fluid Mechanics from Shock Tube Research."

Drs. J. G. Hall, H. S. Ribner and G. K. Korbacher attended the 3rd AGARD Conference in Ottawa, June 8–11.

Dr. W. H. Rapson presented a paper on "The Role of pH in Bleaching Pulp" at the International Symposium on the Theoretical Aspects of Bleaching at the Institute of Paper Chemistry at Appleton, Wisc., on September 16. Professor Rapson

attended the summer meeting of the technical section of the Canadian Pulp and Paper Association in Quebec City, June 5–8. He also visited pulp mills in Maine, New Hampshire, Quebec, Wisconsin, Washington and British Columbia during July and August.

Professor L. E. Jones will present a paper on "Models—Miscellaneous Marvels for Enthusiastic Engineers" at the first autumn meeting of the Toronto Branch of the Engineering Institute, on October 6.

Education

Dr. C. E. Phillips delivered the 1955 Quance Lectures at the University of Saskatchewan on Public Education in Canada.

Library School

At a general session of the Ontario Library Association, June 1, Professor Bertha Bassam spoke on the revised curriculum for the course leading to the degree of Bachelor of Library Science.

Professor Mary Silverthorn was elected vice-president of the Ontario Library Association for 1955–56.

Professor Katharine Ball attended the 10th Annual Conference of the Canadian Library Association in Saskatoon, June 20–25. As president of the Cataloguing Section she presided at its meetings.

Music

Dean Boyd Neel will conduct the Hart House Orchestra at Brantford on October 18, and at Etobicoke on October 20. The orchestra will begin a three-week tour of Canada and the United States on October 27.

Henry Temianka taught again at Brigham Young University, Provo, Utah, in June, and at the National Music Camp at Interlochen in August.

Dentistry

Drs. M. G. Boyes, C. D. Beierl, Marjorie Jackson, E. E. Johns and W. K. Shultis will provide instruction in the fourth annual Dental Seminar program in October at Owen Sound, Orillia, Fort William and Sudbury.

At the joint meeting of the Canadian Dental Association and the Ontario Dental Association held in Toronto in May, Dr. P. G. Anderson was honoured by the International College of Dentists when a Fellowship was conferred upon him. Dr. D. W. Gullett was elected an Honorary Fellow of the College.

Dr. P. G. Anderson attended the Eastern Ontario Dental Association meeting at the Chateau Laurier, Ottawa, Sept. 18–20. On October 12, Dr. Anderson will give an essay at the University of Buffalo Alumni Association meeting.

Dr. Gordon Nikiforuk attended the Gordon Research Conference of the American Association for the Advancement of Science, when chemistry and physiology of bone and teeth were discussed.

Dr. R. J. Godfrey has been elected president of the Board of Directors of the Royal College of Dental Surgons of Ontario, and also president of the National

Dental Examining Board of Canada. Dr. Godfrey will attend meetings of the American Dental Association and the American Association of Dental Examiners in San Francisco, October 14–20.

Dr. F. Martin will attend the American Dental Association meeting in San Francisco, October 14–16. Dr. Martin was clinician on the subject of Crown and Bridge Prosthesis at the Eastern Ontario Dental Association meeting in Ottawa, September 19.

Drs. R. J. Godfrey, G. W. Johnstin, W. R. Ross and C. H. M. Williams attended the Northern Ontario Dental Association meeting at Sudbury.

Drs. J. H. Johnson, A. A. Antoni and D. H. J. MacDonald attended the Great Lakes Society of Oral Surgery executive meeting at Ann Arbor, September 17.

Dr. O. J. Yule participated in a teaching conference on Oral Diagnosis at the College of Dentistry, Ohio State University, September 19–21.

On September 23 Dr. C. H. M. Williams attended Oral Medicine instruction given at the Center for Continuation Studies, University of Minnesota. Dr. Williams will address the Eastern Dental Society of Philadelphia on October 21.

Dr. M. A. Cox will present a paper on Medical Aspects of Fluoridation at a general session of the Ontario Public Health Association annual meeting to be held at the Royal York Hotel, October 6–8.

Visitors to the Division of Dental Research during the summer months included the following: Dr. Marion W. McCrea, University of Maryland, secretary-treasurer of the American Association of Dental Schools; Miss Y. Kumamoto, University of McGill; Dr. D. A. Cameron, Johns Hopkins Hospital, and Dr. P. Lussier from the University of Montreal.

A three-day conference on Dental Education held at the Faculty in September was the first of a series to be conducted for teaching staff members of Canadian Dental Schools. The courses are sponsored by the Council on Dental Education of the Canadian Dental Association. Members of the staff of the Ontario College of Education presented the course, and Dean A. C. Lewis acted as chairman.

Dr. Gordon Nikiforuk has been appointed acting chairman of the division of Dental Research during Dr. Macdonald's leave of absence.

Architecture

Professors E. R. Arthur and W. G. Raymore represented the University at the Conference of Canadian University Schools of Architecture held during the Annual Assembly of the Royal Architectural Institute of Canada at Halifax, June 1–4.

Social Work

Professor C. E. Hendry attended a meeting of experts on the Promotion of Teaching of Race Questions in Primary and Secondary Schools held at Unesco House, Paris, Sept. 19–23.

Administrative

Marsh Jeanneret was chairman of a publishers' panel at the Canadian Authors' Association convention at Kingston in June.

Francess Halpenny attended the Canadian Library Association convention in Saskatoon, and the American Association of University Presses convention in Seattle.

Dr. W. Stewart Wallace has accepted the editorship of *Ontario History*, the journal of the Ontario History Society.

The University of Toronto was host to the 16 groups making up the Conference of Learned Societies which met from May 30 to June 15 last. Official University receptions were given to all groups, and the Press gave receptions and tours to the Canadian Historical Association, the Canadian Political Science Association, and the Royal Society of Canada. Mr. Robert Coulter was in charge of preliminary planning, as chairman of the steering committee, and registration of the 1,335 delegates was looked after by members of the Registrar's office, under Mr. J. C. Evans' direction. Some of the papers given by University staff members at the various meetings are listed here:

To the Humanities Association of Canada: Papers on Australian-Canadian Literature by C. T. Bissell and John Matthews; on "The Modern English Novel" by Douglas Grant; on "The Russian Novel" by G. Luckyj;

To the Canadian Political Science Association: "Combines Policy, an Economist's Evaluation," S. Stykolt; "Combine and Monopoly Control Legislation in Canada," W. Friedmann;

To the Canadian Historical Association: "The Function of History: a Philosophe View," R. M. Saunders; "Farewell to German History? Revisionism versus Traditionalism," R. A. Spencer; "The British Party System between the Reform Acts of 1832 and 1867," J. B. Conacher;

To the Canadian Association of Slavists: "The Soviet Image of Schevchenko," G. Luckyj; "Russian Influences in Serbian Culture," B. E. Shore; "Pushkin and the Emperors Alexander I and Nicholas I," L. I. Strakhovsky;

To the National Conference of Canadian Universities: "Prospects in the English-Speaking Institutions," Sidney E. Smith;

To the Royal Society of Canada: "The Toynbee of the 1950's," F. H. Underhill; "Unit Changes in Order-Bases at a Point and Their Associated Fundamental Exponents," S. Beatty; "On the Modular Representations of the Symmetric Group V," G. de B. Robinson; "Abstract Definitions for the Plane Crystallographic Groups," H. S. M. Coxeter; "On the Neumann Problem of Generalized Potential Theory," G. F. D. Duff; "An Abstract Definition for the Mathieu Group M_{11};" "The Number of Ordinary Lines determined by n Points in the Plane"; and "A Generalization of the Polyhedral Groups," W. O. J. Moser; "Segregation of Solute to Grain Boundaries and Metal Surfaces," W. C. Winegard; "Dislocations and Crystal Growth from the Melt," C. Elbaum; "The Effect of Impurities on the Solidification of Metals," J. W. Rutter; "The Infrared Absorption of Liquid and Solid Hydrogen and its Dependence on the Ortho-para Radio," W. F. J. Hare and Elizabeth J. Allin; "The Use of *Ferut* in the Determination of Spectroscopic Binary Orbits," Donald A. MacRae; "Numbers and Types of Variable Stars in Globular Clusters," Helen S. Hogg; "The Radial Velocities of 1050 Stars of Late Spectral Type," John F. Heard; "The Orbit of the Spectroscopic Binary H.D. 15138," Ruth J. Northcott; "The Propagation of Shear Waves in Rubber at Ultrasonic Frequencies," J. R. Cunningham and D. G. Ivey; "The Patterns of Features formed by Pleistocene Ice in Part of Northern Canada," J. Tuzo Wilson; "Indications from Isotopic Analysis of the Sources of Some Lead Ores," R. D. Russell;

"The Support of Biological Research in Canadian Universities," Kenneth C. Fisher; "The Need for Biology Teachers in Secondary Schools," A. H. Louden; "The effect of a Narcotic on Growth and Respiration of L Strain Mouse Connective Tissue Cells," S. Dales and Kenneth C. Fisher; "The Behaviour of the Varying Lemming in a Temperature Gradient," Donald A. Smith and K. C. Fisher; "The Inheritance of Body Weight and Litter Size in a Cross of Two Inbred Strains of Mice," L. Butler; "Patterns of Fetal Growth in European and Asiatic Mongoloid Imbeciles," Norma Ford Walker; "Fertilization of Algonquin Park Lakes," R. R. Langford; "The Thermal Gradient underlying Distribution of Aquatic Insects in a Stream, with Lattitude and with Season," F. P. Ide; "On the Egg-laying Habits of Some Diprionidae (Hymenoptera)," C. E. Atwood.

To the University Counselling and Placement Association: "Mass Education," M. St. A. Woodside; "A Standard Interview Information Sheet," J. K. Bradford.

Professor J. A. Irving led a discussion on "The Concept of Security" at the Canadian Institute of International Affairs meeting.

Dr. W. H. Watson was named president of Section III of the Royal Society of Canada.

J. K. Bradford had been elected president, for the second term, of the University Counselling and Placement Association.

New Councillors elected by the Canadian Classical Association included Professor L. E. Woodbury, and Dr. A. W. Scott.

Dr. J. Tuzo Wilson was awarded the Willett G. Miller medal of the Royal Society of Canada.

Among the 24 new members elected to the Royal Society were: Dr. T. A. Goudge, Dr. B. Wilkinson, and Dr. F. E. W. Wetmore.

The University was also host to the tenth Annual Physics Congress of the Canadian Association of Physicists held in conjunction with the June meeting of the American Physical Society, and many staff members contributed papers.

STAFF CHANGES

Appointments

Professor Gordon Stephenson has been appointed head of the division of Town and Regional Planning in the School of Architecture. For the past two years Prof. Stephenson has been consultant to the Government of Western Australia and to the University of Western Australia. A member of the firm of Stephenson, Young and Partner, Architects and Planning Consultants, Liverpool, he was Senior Research Officer with the British Ministry of Town and Country Planning, worked on the Greater Plan of London, and was one of the principal authors of the New Towns Act and the Country Planning Act (1947).

Dr. A. Douglas Tushingham has been appointed director of the Royal Ontario Museum of Archaeology, and associate professor of Oriental Languages in University College. Dr. Tushingham has been associate professor of Hebrew and Old Testament Criticism at Queen's Theological College, Kingston, and is an ordained Minister in the United Church. He is a graduate of University College, and the University of Chicago, and has had wide archaeological experience in the Near and Middle East.

Dr. Alfred C. Bailey, dean of Arts and professor of History at the University of New Brunswick, has been appointed to the Harold Adams Innis visiting professorship this year. A graduate of the Universities of New Brunswick and Toronto, Dean Bailey has had a distinguished career as historian and poet.

Dr. Gordon Hearn, associate professor in the School of Social Welfare, University of California, has been appointed Cassidy Research visiting professor. A graduate of the University of Manitoba, and Massachussets Institute of Technology, Dr. Hearn has had extensive experience in youth work, and has taught at the University of British Columbia, Cornell University, Springfield College, and M.I.T.

In the School of Law, Albert A. Abel has been appointed professor. A graduate of the State University of Iowa, and of Harvard, Professor Abel has been professor of law at West Virginia University since 1946.

Edward McWhinney has been appointed associate professor of law. Educated at the University of Sydney and at Yale, he was professor of law last year in the Graduate Division, New York Law School.

Arthur B. Weston, assistant professor in the School of Law, did preliminary legal work at the University of Western Australia, and obtained his B.C.L. degree at Oxford in 1952. He has since been on the University of Alberta staff.

George A. Edwards has been appointed associate professor in the Institute of Business Administration. A graduate of the University of Toronto, Prof. Edwards has been since 1951 with the Graduate School of Business at Columbia, teaching advertising, retailing, and the economics of consumption.

D. D. Monieson has been named assistant professor in the same Institute. A graduate of Miami University, he taught last year at Queen's and has been working for his doctorate at Ohio State University.

Miss M. Uprichard, national director of the Junior Red Cross in Canada since 1950, has been appointed assistant professor in the School of Nursing. Born in Regina, Professor Uprichard was educated at Queen's University, Smith College and the University of London.

Dr. R. Kennedy, previously on the Faculty of Pharmacy staff, is now an assistant professor. He has been working for his doctoral degree at the University of Florida.

G. R. Slemon has been appointed assistant professor of Electrical Engineering in the Faculty of Applied Science and Engineering. A graduate of the U. of T., Dr. Slemon has been on the Nova Scotia Technical College staff since taking his Ph.D. degree at Imperial College, London, in 1953.

Paul G. Rooney has been appointed assistant professor in the Department of Mathematics. Dr. Rooney took his doctor's degree at the California Institute of Technology, and has been on the staff of the University of Alberta, where he was an undergraduate.

W. P. Brown, also an assistant professor in the Department of Mathematics is a graduate of Queen's University, Belfast, and earned his doctor's degree on an exchange fellowship at the University of Michigan. Last year he was assistant professor at Michigan State College.

Frank Stone was appointed to the newly-created post of vice-president (administration) of the University on the resignation of Alex G. Rankin, Comptroller. Mr. Stone is a graduate of Trinity College, and was on the staff of Clarkson, Gordon and Co. for nine years, obtaining his C.A. degree in 1936. For the past three years he has been special assistant to the president of Canadian Pittsburgh Industries Limited.

Mrs. H. A. Innis is the new Dean of Women in University College. A graduate of the University of Chicago, Mrs. Innis is a novelist and author of text books and articles on Canadian economic history.

The Reverend James S. Cunningham has been appointed Chaplain to Hart House. Formerly assistant curate at St. Paul's Church, Bloor St. East, Mr. Cunningham is a graduate of University College, Wycliffe College, and Oxford University, where he obtained his degree in theology in 1954.

John A. Becker has been appointed assistant to the Warden of Hart House. Mr. Becker graduated from the Engineering and Business course this year.

Alexander Uninsky, Russian-born pianist, has been appointed to the staff of the Royal Conservatory of Music. Mr. Uninsky has been recitalist and soloist with symphony orchestras throughout the world. In addition to his music studies he has studied at the Sorbonne and the University School of Advanced Political and Social Studies in Paris. Other Conservatory appointments are: Carla Emerson, harp; Joseph Furst, television acting; Antony Antonacci, flute; John Fetherston, clarinet; Nicholas Kilburn, bassoon; and Eldon Lehman, trumpet.

Promotions

Announcement has been made that Dr. J. K. W. Ferguson, head of the Department of Pharmacology, will become director of the Connaught Medical Research Laboratories upon the retirement of Dr. R. D. Defries on October 1.

In the Faculty of Arts, Professor D. G. Creighton has been named chairman of the Department of History. G. Luckyj has been made acting chairman of the Department of Slavic Studies and promoted to the rank of associate professor. D. A. MacRae has been promoted to the rank of professor of Astronomy. Promoted to associate professorships are: Mrs. Helen Hogg (Astronomy); L. E. Woodbury (Classics, U.C.); C. W. Dunn (English, U.C.), R. E. Deane (Geological Sciences); R. J. Williams (Oriental Languages, U.C.), and C. C. Gotlieb (Physics); to assistant professorships: R. M. Shepherd (Classics, U.C.); M. Sanouillet (French, U.C.); W. H. Gross and P. A. Peach (Geological Sciences); H. I. Nelson and R. A. Spencer (History); K. L. Levy and J. A. Molinaro (Italian, Spanish and Portuguese); and P. J. Giffen and Miss M. E. Wallace (Political Economy).

Dr. M. H. Brown has been promoted to head the Department of Hygiene and Preventive Medicine. Other promotions in the Faculty of Medicine are: to the rank of associate professor: W. G. B. Casselman (Banting and Best Department of Medical Research); R. J. Wilson (Hygiene and Preventive Medicine); D. N. Henderson and H. W. Johnston (Obstetrics and Gynaecology); F. C. Monkhouse and A. M. Rappaport (Physiology); J. W. L. Doust (Psychiatry); W. G. Bigelow (Surgery); to assistant professorships: C. R. Burton, C. C. Gray, W. F. Greenwood, W. E. Hall, D. B. Moran, M. A. Ogryzlo, W. A. Oille (Medicine); J. Mann and G. L. Watt (Obstetrics and Gynaecology); W. G. Carscadden, J. L. T. Russell, C. M. Spooner, C. H. Watson and A. W. M. White (Surgery).

In the Faculty of Applied Science and Engineering, the following promotions have been made: to associate professorships: W. F. Graydon and W. G. MacElhinney (Chemical Engineering); and W. A. M. Hewer (Mining Engineering); to assistant professorships: C. Hershfield (Civil Engineering); F. C. Hooper and R. T. Waines (Mechanical Engineering).

In the Faculty of Dentistry, those promoted to associate professorships are: J. R. Fletcher (Dental Materials); G. C. Hare (Operative Dentistry); W. G. McIntosh (Periodontology), and R. L. Twible (Prosthodontics). M. N. Rockman has been put in charge of the Department of Dental Radiology. G. V. Morton has been promoted to the rank of assistant professor in the Faculty Clinic.

J. Robert Coulter has been named to direct the Department of University Extension, replacing J. Royden Gilley, who has been appointed director emeritus. Miss Dorothy Milner and Paul Guttman have been appointed assistant directors. Miss Margaret Pratt has been appointed secretary.

George Court has been promoted to the comptrollership of the University.

Leaves of Absence

Dean R. G. Ellis left for Australia in June, and during his six months' leave will visit dental schools and undertake a program of refresher activities, including work as a practising dentist.

Professor W. T. Easterbrook will spend the 1955–56 academic year at Cambridge as Pitt Professor of American History.

Mrs. Helen Hogg will serve the National Science Foundation, Washington. As program director for astronomy she will help plan and administer a national educational program.

Professor J. M. S. Careless is completing his book on George Brown, aided by a Rockefeller Foundation grant.

Professor C. F. Comfort has received a Canadian Government Overseas Award, which he will use for study in Holland, specializing in Dutch paintings of the 1550–1750 period.
